

A woman with long blonde hair is smiling warmly, holding a lit candle. The scene is dimly lit, with the primary light source being the candle she holds. In the foreground, another lit candle is visible, its flame bright and clear. The background is dark, with the faint outlines of other people's faces, suggesting a group setting. The overall mood is peaceful and celebratory.

*Wie schön leuchtet
der Morgenstern*

Lichtmess

in der Elisabethkirche

2. Februar 2019, 18 Uhr

Liturgie mit Lichtern und Liedern

– zwischen Weihnachten und Ostern
